ISHPI AWARDED U.S. ARMY PM-FPS

MOUNT PLEASANT, SC – Ishpi Information Technologies, Inc. (DBA *ISHPI*) has been awarded the Force Protection Systems Omnibus contract from the U.S. Army RDECOM Natick Contracting Division for the Product Manager, Force Protection Systems (PM-FPS) as member of the FLIR Team. This is a three year base contract with a maximum dollar ceiling value of \$997 million. Under the contract, *ISHPI* will provide force protection capabilities to protect Soldiers through the use of security, cyber, intelligence, surveillance and reconnaissance systems for integrated defense of military bases in the U.S. and overseas.

“We are excited to be a key member on FLIR’s PM-FPS OMNIBUS Team” Mike Beadle, *ISHPI*’s Vice President, Information and Cyber Dominance, said. “It expands our offerings defending military bases worldwide using our expert services and Subject Matter Experts (SMEs) enhancing our position as a premier provider of services intended to enhance and protect today’s warriors and anticipate and plan for tomorrow’s threats.”

ISHPI is an SBA and Diversity Business award winning American Indian- and U.S. Department of Veterans Affairs (VA) Center for Veterans Enterprise (CVE) Verified Service Disabled Veteran-Owned certified 8(a) Small Disadvantaged Business specializing in Information and Cyber Dominance (ID) with core capabilities in Information Operations (IO), Information Warfare (IW), Information Assurance (IA), Electronic Warfare (EW), Cybersecurity (CS) and Cyberwarfare (CW) and supporting capabilities in System Engineering and Integration (SE&I), Enterprise Architecture (EA), Acquisition Management (AM), Logistics Support Services (LSS), Training Services (TNG), and Information Technology (IT) Services for Command, Control, Communications, Computers, Combat Systems, Intelligence, Surveillance and Reconnaissance (C5ISR), and other mission essential capabilities. *ISHPI* delivers mission critical capabilities to the Warfighter and defenders of the Homeland protecting the Nation--leading the fight and saving lives by bringing together subject matter experts

with direct experience supporting the Intelligence Community (IC), Department of Defense (DoD), Department of Homeland Security (DHS), Federal Agencies, and Commercial Sector with primary operations in the Charleston, SC, and Tidewater, VA areas and the National Capital Region.
