## ***ISHPI APPOINTS VICE PRESIDENT OF NATIONAL CAPITAL AND SOUTHWEST REGION OPERATIONS***

**MOUNT PLEASANT, SC** – Mr. Noah Leask, Co-founder, President and CEO of Ishpi Information Technologies, Inc., (DBA *ISHPI*) and the Executive Board of *ISHPI* are pleased to announce that Mike Beadle, Vice President and Director, National Capital Region, has assumed the role of Vice President of *ISHPI*'s National Capital and Southwest Regions.

In his expanded role, Mr. Beadle will be responsible for all operations in the National Capital and Southwest Regions, including providing oversight for *ISHPI*'s new center of operations in San Antonio, Texas. This new operations center provides support to the 24<sup>th</sup> Air Force (AFCYBER), including the 67th Network Warfare Wing and the 688th Information Operations Wing at Lackland Air Force Base, and the 689th Combat Communications Wing at Robins Air Force Base, GA.

“*ISHPI* remains committed to providing outstanding service to our current and potential clients and to bring innovative solutions to the Information Dominance battlefield,” said Mr. Leask. “The assignment of Mike to this critical position within *ISHPI* ensures we remain agile and responsive and are the premier providers of Information and Cyber Dominance.”

*ISHPI* is an American Indian- and Service Disabled Veteran-Owned certified 8(a) Small Disadvantaged Business specializing in Information and Cyber Dominance with core capabilities in Information Operations (IO), Information Warfare (IW), Information Assurance (IA), Electronic Warfare (EW), Cybersecurity (CS), and Cyberwarfare (CW).
